

# TRI-ANNUAL ICON PAINTING WORKSHOP

with

*Philip Zimmerman*  
MASTER ICONOGRAPHER

**WHAT:** Join us in a week long, instructor led Icon Painting Workshop led by Master Iconographer, Philip Zimmerman.

Join us as we recreate the icon "Daniel in the Lions' Den"

A powerful and enduring symbol in Christian and Jewish traditions. It depicts the biblical story of Daniel, a faithful servant of God, who was thrown into a den of hungry lions as punishment for his unwavering devotion to his faith.

According to the Book of Daniel in the Old Testament, God protected Daniel, and the lions did not harm him. This iconic image represents the themes of faith, divine protection, and the triumph of righteousness over adversity. It serves as a reminder of the belief that God watches over and delivers those who remain steadfast in their faith, even in the face of daunting challenges. The story of Daniel in the Lions' Den is a testament to the enduring power of faith and has inspired countless believers throughout history.
